COMMENTS:

This bill would extend the boundaries of the 50th Agricultural District.

The January 7, 2001, amendment deleted the earlier provisions of the bill relating to the Legislature's intent to allow tax credits for work force training dollars. As a result, the department's analysis of the bill as introduced February 23, 2001, no longer applies. This bill would no longer impact the department's programs and operations or state income tax revenue.
